Integrity is looking for a highly committed and driven individual to join the team for 3-month to support on the technical management of the pipeline. This internship offers a unique opportunity to gain hands-on experience in the exponentially growing nature-based solutions space working alongside a highly experienced Executive team. You will have the chance to learn from industry leading experts, contribute to highly impactful projects and develop valuable skills that will enhance your future career prospects.

### **Duties and responsibilities**

- Assist the Commercial team with daily tasks and projects such as project origination, screening.
- Conduct research and analysis on relevant VERRA and Gold Standard carbon methodologies to support decision-making processes and emerging best practice scientific methodologies for carbon and biodiversity benefits quantification.
- Collaborate with team members to develop innovative solutions and contribute to project deliverables.
- Assist in organizing and participating in meetings with Integrity's strategic hub partners.
- Help maintain accurate records and databases.
- Perform administrative duties, such as data entry, filing, and document preparation.
- Assist with the preparation of high-level carbon calculations and equations
- Support team members in various tasks as required.

### **Required Skills and qualifications:**

- Currently enrolled in an Environmental Science or other relevant degree/major or a recent graduate.
- Strong passion for nature and climate solutions

- Excellent written and verbal communication skills in English.
- Proficiency in GIS software/tools is a plus.
- Ability to work independently and collaboratively in a team environment.
- Strong organizational and time management skills.
- Attention to detail and commitment to producing high-quality work.
- Adaptability and willingness to learn new skills.

#### **Benefits:**

- Hands-on experience in nature-based solutions.
- Exposure to real-world projects and challenges.
- Mentorship and guidance from experienced professionals.
- Networking opportunities with industry experts.
- Development of valuable skills and enhancement of your resume.
- Potential for future employment or a positive reference.

#### **Application Process:**

- To apply, please submit the following documents to [edit@integrityglobalpartners.com](mailto:edit@integrityglobalpartners.com)
- Resume or CV, including relevant coursework and extracurricular activities.

#### **About Integrity Global Partners, Inc.**

The mission of Integrity Global Partners is to unlock fair and equitable capital at scale to deliver high-integrity environmental assets to market. We do this by:

- Bringing together the necessary expertise to accelerate the deployment of mission-driven investment capital into high-quality nature-based projects and jurisdictional programs in the Global South and Europe, and;
- Enabling project developers and governments to access the financing they need through global carbon and environmental markets.
